

18 Rockwall Crescent POTTS POINT, NSW

6 bed | 4 bath | 2 car

This grand private haven is stylishly renovated and immaculately presented. Imaginatively rebuilt, this domain occupies the best position in the street and is a stunningly transformed grand Victorian Italianate terrace house. Set over 4 levels offering exceptional flexibility indoors and out, the zoning is very versatile and is ideal for a home + gallery or a home + office in one. Retaining its ornate architectural origins (c.1890) and sensitively incorporating smart modern finishes, this impressive terrace house is quiet and private, with top floor views of the leafy district and across to the iconic Harbour Bridge, Opera House, Royal Botanic Gardens and CBD skyline.
