| 1 bath

R&W

Unrenovated and set in the heart of the fashionably vibrant locale yet oh so quiet and private, this studio apartment is first floor positioned in the smartly upgraded grand classic Versailles security building. With cool cafes, restaurants, supermarkets, parks, transport choices and lifestyle attractions just metres from the door, this well maintained gem is an affordable first home or Super fund investment property. Yet to reach its full potential, the comfortable current layout could easily become a slick contemporary city pad with excellent rental returns.
