

6/40 Victoria Street POTTS POINT, NSW

| 1 bath

Set in one of international award-winning architect Harry Seidler's sought after security buildings 'Gemini'. This practical and convenient studio apartment enjoys an idyllic harbour side location.

Floor plan provides light filled interior, separate spacious kitchen (stainless steel bench tops) with open plan servery. Renovated bathroom with bath, large windows with private tree-lined outlook plus an abundance of storage and cupboard space rarely found in a property within this price range. The building itself has just gone through a massive upg...
